Exciting opportunity to work for a fast growing and successful insurance broker – Aceso Health & Group Risk / Part of Attis Insurance Brokers

The role consists of calling business to establish if they have a private medical insurance scheme in place and if so, obtaining key bits of information such as the renewal date of the policy which enables our business development managers to contact at the correct time.

Your main responsibility would be to create leads to a high standard working within company policies and procedures.

The role itself is very straight forward and so no previous experience or insurance knowledge is required – full training and support will be provided.

Candidate must be presentable, reliable and have a good telephone manner.

Aceso Health and Group Risk fully encourage and support you towards achieving professional qualifications within the Insurance industry and offer a great benefits package (including 25 days paid holidays plus Bank Holidays, death in service, private medical insurance, and pension) are included.

Great chances to progress and become part of a great team and grow with the business.

Full time position – Monday to Friday 9am – 5pm (no weekends or evenings)
